WILDLIFE RESCUE AND REMOVAL

The Elgin Police Department does not pick up wild animals from your residence unless it is deemed an immediate threat. This means that unless the animal is attacking or threatening to attack someone, we will not pick up the animal. You as the homeowner will need to contact a licensed animal trapper to come to your residence and remove the animal. The one exception to this policy is bats. If you have found a bat inside your residence, please do not attempt to capture the bat yourself, and contact Elgin Police immediately.
