5 p.m. | Council Chambers

**Wednesday, December 18**  
6 p.m. | Council Chambers

## Introducing...

“Budget On-the-Go” is series of informal meetings where you can hear from City staff, tell us what’s important to you and ask questions about how Elgin invests its money each year.

Join us around Elgin to share your priorities for the upcoming budget. We want to make sure you understand how your dollars are spent to support things that help make Elgin a safe and vibrant community.

## BUDGET ON-THE-GO

## Join the 2020 Budget Discussion

Speak in person at budget meetings
